## Guidelines

- Person must be a current club member before June 1 to score for any race before that date; after June 1 person must be a current club member at the time of the race to score
- Scoring will be done similar to Set Up Events series'
  - Average of top 5 male and female times will establish the base time for each gender
  - Based time will be divided by member time and then multiplied by the Event Weight to determine the Event Score
- Person must notify Greg they have raced an event by the Wednesday after the race in order to be scored
- Standings will be posted monthly on web site
- No minimum number of races
- Prizes will be awarded to top 5 in each gender at Christmas party
